## Complete the 12 walks challenge

Get outside and discover the parts of Winchester you haven't been to for a while. We have 12 walks all around town for you to complete. Information about each walk can be accessed on a mobile device with interactive maps based on the latest Ordnance Survey mapping.

This website is a community resource for everyone living in or around Winchester, based on Will Walker's discoveries during the 2020 lockdown. Find the 12 walks on the web-map, try one out and let us know how we can improve. [walkWINCHESTER.co.uk](http://walkWINCHESTER.co.uk)
